

Notice Regarding Organizational Restructuring and Personnel Changes

IDEK Corporation announces the implementation of the following organizational reforms and personnel changes, effective October 1, 2025.

Key Points of Organizational Reform

In order for the IDEK Group to expand its business globally, we will establish a structure that allows for flexible business operations worldwide, rather than a business model centered in Japan. As part of this initiative, the Corporate Management Division has been reorganized and operates under the name of the Global Finance Division.
